MEASURING THE PAST  
Ancient Coins and the Roman Empire

North, South, East and West  
100 AD - 100 AD

North, South, East and West  
100 AD - 100 AD

The Roman Empire was a vast and powerful empire that stretched across the Mediterranean Sea and beyond. It was a time of great achievement and innovation, and it was a time when the world was united under a single rule.
